

ACKNOWLEDGEMENT

At the very outset, I express my deep sense of gratitude and indebtedness to my supervisor Prof. ParthaPratimBaruah, Department of Botany, Gauhati University for his esteemed suggestion, guidance, and encouragement during the course of the study.

I am thankful to Prof. N. Devi, Head, Department of Botany, Gauhati University, for her kind help and permission in performing my research work in the Department of Botany, GU. I am also thankful to Prof. Prof. S.K. Borthakur, Prof. D.K. Jha, Dr. G.C. Sarmah, Dr. T.C. Sarma, Prof. B. Tanti, Prof. K. Tayung, Dr. N. Nath, Dr. N. Bhattacharya, Dr. D. Narzary, Dr. H. Deka, Dr. N. Agarwal, Dr. A. Ghosh, Dr. J. Rabha and Dr. S. Borah of Department of Botany, Gauhati University for their constant encouragement during this course of research work. I am grateful to all the non-teaching staff member of the department for their assistance during my research work.

I wish to express my deep sense of gratitude to Department of Livestock Products Technology, College of Veterinary Science, Assam Agricultural University, Khanapara Campus, Guwahati for according permission in performing the nitrogen analysis in the Department. I owe my deep sense of gratitude to Dr. Masuk Raquib for his kind help and guidance during the analysis.

My sincere thanks goes to Dr. Tridip Phukan of NEIST, Jorhat for his help in carrying out the statistical work.

I am also thankful to NIPER, Guwahati for their help and cooperation during my research work.

I am indebted to all the cultivators and officials of Agricultural Department for their support in collecting samples.

I am thankful to the authority and staff members of K.K. Handique Library of Gauhati University for providing the necessary academic resources.

I express my heartfelt appreciation to my research scholar friends Dhruba da, Kiranba, Juthika ba, Nijara ba, Purabi ba, Arjun da, Hunmily ba, Birty ba, Supriya, Peenaz, Debahooti, Bishmita, Soumin, Himamani, Trideep and Shaswatee of the Ecology Laboratory, Department of Botany, GU for their constructive ideas and support.

My sincere thanks goes to Arupjyoti Baruah, Dr. Mithun Nandi and Hemchandra Deka for their help and cooperation during my research work.

I also express my gratitude towards my supervisor's wife Mrs Poroshmoni Baruah and their childrens Epahi and Niyor for their support and hospitality during this period.

I express my heartfelt gratitude to my Father Mr Tankewsar Dutta, my Mother Mrs. Anupama Dutta and my sisters Jaan ba, Juli ba, Momi ba and Buli ba and all my brothers in law for their blessings and support throughout my academic career.

Last but not least, I would like to express my deep sense of gratitude to my friends, other family members and all my well wishers for their constant support and co-operation throughout this journey. I am greatly indebted to Almighty God for giving me a sound mind and health during the completion of entire research work.
